

Twelve art project proposals in Ai Wei Wei proportions

- I Walked: A life-size Great Wall of China, made of gold LEGO bricks, to be installed around the White House for the occasion of the 4th of July. In the event that LEGO declines to supply bricks for the project, copies of 'What happened' by Hillary Clinton will be used as bricks
- II Saffron Skies: Saffron shrouds to be placed over Beijing, London, Yangon, Brussels & Berlin, each shroud is a patchwork of used saffron robes culled from a million monks of Myanmar, this summer installation is set for nine days, hinting at the nine qualities of the Lord Buddha

III Selfie King in Heavenly Palace: Taking a selfie from Tiangong-1 space station in the background of the whole population of China - Chinese citizens, including those from Taiwan, Hong Kong & Macau, are requested to come out for the occasion and look up at the artist on Tiangong-1 for a selfie with him, after taking the selfie with the whole population of China the artist will come down to the earth to meet with the participants individually for individual selfies, an estimated 1.3 billion selfies with the artist are to be displayed in a purpose-built museum modelled after Ai Weiwei's head, the museum shall be named Heavenly Palace [Tiangong in Chinese]

- IV Project 42: Out of forty-three Fabergé eggs left in the world, forty-two are to be smashed with a baseball bat in the Yankee Stadium, both the hitter (the artist) and the pitcher (Lady Gaga or Beyoncé, to be confirmed), will be made to be televised live, '42' alludes to the meaning of life
- V Mechanical Cicadas: The Eiffel Tower to be covered in a colony of 1789,000,000 hand wound mechanical cicadas that will drone for refugees for 1789 hours, the installation can be moved to landmarks all over the world
- VI Troll Tongue Tied: Breaking off the Troll Tongue [Trolltunga, Norway], and replacing it with a hyper-realistic rubber plastic hybrid tongue for a spring day display

- VIII Terracotta Ai-me: (Greater China): A total of 2,285,000 Ai Weiwei statues fashioned after China's terracotta army soldiers to be installed on the Tiananmen Square for the occasion of China Army Day, 2,285,000 being the size of 21<sup>st</sup> century Greater China Army Armed Forces.
- VIII Slant-1: The Falling Water at Mill Run, Pennsylvania, to be tilted 45 degree to the right, permanent installation
- IX Slant-2: The Jade Pagoda in Mandalay, Myanmar, to be tilted 45 degree to the east, permanent installation
- X Worldwide Womb: A hyper-realistic larger-than-life womb of a nine-month pregnant woman, complete with chemically reproduced amniotic fluid, any volunteer who would like to coil up naked in the womb

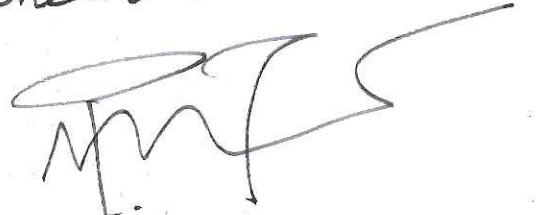

in fetal position, for a minimum duration of nine hours, will be supplied with an oxygen mask and a feeding tube - her situation will be constantly monitored and televised live, a couple or a family of three can also volunteer to be in the womb to stimulate twin or triplet pregnancy

XI Pilgrim Whale 99: A 99-meter blimp, the shape of a blue whale, to kiss the banana bud of the 99-meter tall Shwedagon spire, for the Double Ninth Festival

XII Seediness-neediness: One million infinitesimal porcelain poppy seeds in the eyes of an average-sized needles - to be eyed by up to ten thousand people at a time using a gigantic clinical microscope the size of NYC World Trade Center, permanent installation
